

American Association of University Women Wooster Branch of AAUW - Scholarship Application

Who can apply: This scholarship is available to female residents of Wayne County. It is for non-traditional students enrolled or planning to enroll in a qualified undergraduate degree program. Applicants must be continuing an education that was interrupted for financial or family issues. It is not for first-time college students directly out of high school, nor for graduate degrees.

What can Scholarship be used for:

Scholarship funds can be used for books and tuition and must be used within a two year period. Prior applicants and recipients are eligible to reapply. (There is a two award maximum.)

Application requirements include:

- Completion of the attached application form.
- Three letters of recommendation: from employer, professor, academic advisor, or a member of a civic or charitable organization. No more than one letter from a clergy person or friend will be accepted.
- Transcript of grades and classes (if applicable), or a letter of acceptance from an accredited degree program.
- Submit complete packet by mail by deadline: **May 15, 2010.**

Our Process:

A committee determines the number of recipients of scholarship funds. Their decision is final and confirmed by the Board of AAUW. Awards are based on funds available and range from \$500 - \$2,500. A weighted number is given by each member of the scholarship committee based on the application submitted, letters of recommendation, financial need, career goals and community and/or professional involvement. If the individual scholarship monies are not used within a two year period, they will be forfeited. Monies are paid directly to the academic institution or reimbursed with appropriate submission of invoice to AAUW Treasurer. Scholarship recipients will be notified by June 15, 2010, with instructions of how to proceed. Funds are available after July 1, 2010.
